

## Reinvestment Subcommittee Proposals Process

### To submit a proposal

- Proposal steps to be set up on KDOC website
- Anyone who could receive funding can submit a proposal
- E-mail
  - Proposal
  - Budget

### Steps before the forum

1. Proposal is submitted
2. Member of subcommittee does background research on proposal
3. Full subcommittee discusses and vets proposal
4. Send notification to proposer to present at subcommittee meeting
5. Proposal heard in subcommittee meeting

### Presentation

- 10 minutes for presentation
- 10 minutes for questions
  - First by reinvestment subcommittee
  - Open to others in the room if there is time

### After the presentation

- Subcommittee to decide the outcome of the presentation
  - Favorable – take the proposal to the full JJOC
  - Unfavorable – send feedback to company/person/body making proposal
