

Supporting Community Organizations in Improving Outcomes for Juvenile Offenders and Families Grant

Intended to assist community based non-profit organizations increasing their capacity to continue to implement evidence-based practices for juvenile offenders, juveniles experience behavioral health crisis and their families

Juvenile Justice Oversight Committee

Improve the lives and well-being of all youth in Kansas

Information:

Applications accepted starting January 1, 2025.

Deadline for applications is May 1, 2025.

Supporting services for:

- Juvenile offenders and their families.
- Juveniles experiencing behavioral health crisis and their families.

Award ceiling is \$300,000.

[How to Apply \(link\)](#)

Eligibility:

- Any organization or agency may apply.
- This is a competitive award.
- Grant award period of two (2) years.
- Technical assistance will be provided in the application process.

This funding was made possible through the passage of SB367. This reallocated funds to keep kids in their communities and offer support.
