STANDARD: Written policy, procedure and practice shall allow for Immediate Intervention Programs (IIP's) to establish fees not to exceed \$50 for a misdemeanor and \$100 for a felony. These fees shall be separate and in addition to any statutory filing fees on post-file IIP's. The fees collected shall be retained by the IIP and shall not be used for any purpose, except development and operation of the IIP pursuant to K.S.A. 38-2346(f).

A youth who is eligible for IIP's shall not be denied participation or terminated unsuccessfully due to an inability to pay fees or other associated costs. An inability to pay fees shall not solely result in the referral to an MDT. If a family is able to demonstrate an inability to pay their fees based on the federal poverty guidelines <https://aspe.hhs.gov/poverty-guidelines>, the IIP fees shall be reduced or waived as follows:

Fees Waived:

- if the family is at 100% or less of the federal poverty guideline

Fees Reduced:

- by at least 50% if the family is at 101-200% of the federal poverty guideline

DISCUSSION: Local policy may allow for youth to work off their fees through community service.
