General Canteen Policies Guidelines

1. NO CANTEEN order will be distributed until positive identification has been made as to the inmate about to receive the order; this policy ensures that everyone receives the correct order. The inmate ID Badge must be shown in order to receive a canteen order.
2. Discrepancies within your canteen order must be identified at the time of delivery and brought to the attention of the Staff Member distributing the canteen. Issues must be fully noted on the receipt prior to signing for and accepting of the canteen order.
3. Once an order is received and signed for with no discrepancies identified, the transaction is considered closed and no later issues may be raised concerning the receiving of the order.
4. Receipts must be retained in order to follow up with a noted and recorded Canteen Order discrepancy.
5. Institution Staff are responsible for sending notification of discrepancies to Union Supply. If you have not received your discrepancies refund, please contact Unit Team.
6. There is an individual stamp limit of 25 stamps in any combination. The stamp limit for Disciplinary Segregation is 10 Stamps in any combination.
7. Questions or other issues concerning or arising from your Canteen transaction are to be directed to KCI/USG through your Unit Team.
8. Copy and Photo tickets are non-refundable.
9. No OTC medications are permitted in the infirmary.
10. All prices, package weights or brands are subject to change without notice.
11. Tax could be affected due to calculation, either increasing or decreasing the tax amount.
12. We reserve the right to limit quantities.
13. All gluten free/no sugar/ low sugar/no salt/low salt identified products are reported by the manufacturers with no confirmation or liability by Union Supply Group or Union Supply Commissary Solutions.
14. Please refer to your IMPP regarding restricted items for KDOC restricted inmate population.
