Kansas Family Advisory Network	We are a non-adversarial, non-profit organization with a heart for the family. We believe in the restoration of families and not just reintegration, "Because There Is No Perfect Family"! Each family is unique in their own right and should be treated with the love and respect they deserve. Our role is not to judge families but to guide and/or equip families with the tools and services to advocate for their family needs, strengthen their family bonds and to assist other families along they way. KFAN is aware that it takes a village to successfully support birth and kinship families, foster and adoptive families as well as youth who have aged out of the child welfare system. That is why KFAN partners with groups and agencies, who have joined together in collaboration to promote and advance safety, permanency, and well-being for children and their families involved with, or at risk of becoming involved with the child welfare system
