DEFINITIONS OF FAMILY ENGAGEMENT:

This is the National institute of corrections definition of family engagement: *Family engagement in juvenile justice involves establishing a collaborative relationship in which families are partners in both their children's treatment and in developing the policies, programs, and practices of the system.*

Here is the definition used by Texas: *Family Engagement is an active and ongoing process that facilitates opportunities for all family members to fully participate and contribute in decision making for their children, plus meaningful involvement in specific programs and with other families.*
