CYPM Kansas State Policy Team: Prevention Workgroup Agenda
December 9, 2020 11:00am-12:00pm

Time	Session
11:00 am	Welcome and Introductions
11:03 am	<p>Review Identified Challenges & Opportunities</p> <ul style="list-style-type: none"> • Previously identified challenges: <ul style="list-style-type: none"> ○ Youth who run away: 1) issues prior to running; 2) risk for trafficking when they run; 3) communication and collaboration between providers and agencies when youth run; 4) access to services for chronic runners upon return ○ Service availability: 1) lack of trauma-responsive services; 2) lack of shared services across systems; 3) system involvement required to access services; 4) service availability and waitlists ○ Communication: 1) lack of coordination among agencies and providers; 2) communication especially missing among frontline staff; 3) combatting the myth that youth must be in a system to access resources ○ Instability: 1) youth who move often mistrust system/workers; 2) lack of self-worth and belonging when youth move often; 3) lack of placements for older youth results in reliance on detention ○ Family engagement: 1) parents often give up hope in rehabilitation and grow reluctant to welcome youth back home; 2) early intervention and involvement so that families are at the table as soon as there are any signs of trouble with the young person or at home; 3) parents don't have peers to connect with and often feel judged and discouraged by system workers; 4) Immediate Intervention could be used for any youth who comes to intake so their needs are addressed before they have multiple offenses (can be used to identify families in crisis) ○ Training: 1) working with staff to recognize biases when working with youth and parents; 2) helping staff develop a trauma lens and trauma-informed approaches; 3) ongoing training for CINC and JO staff to identify and work with families who are in crisis ○ Education: 1) school mobility, truancy, and suspensions and expulsions are high among systems-involved youth • Opportunities for the work <ul style="list-style-type: none"> ○ Savings from SB367 to establish a triage for youth with mental health and trauma needs (e.g., Johnson County) ○ Training Intake staff with the Parent Project so that parents are matched with other parents for support

	<ul style="list-style-type: none">○ Further develop partnerships between Intake and DCF (it's currently stronger in some counties than in others)○ Further incorporate school based mental health into how we support youth
11:15 am	Use Challenges/Opportunities to Develop a Target Population(s)
