**STANDARD:** Written policy, procedure and practice shall require Immediate Intervention Programs (IIP's) to establish standards of conduct and make them available to all staff.

Standards of conduct shall at a minimum address:

- The acceptance and/or giving of favors, gifts, money and/or services from youth to their family members; business relationships with youth or their family members
- Engaging in criminal conduct or behaviors which may bring discredit upon IIP's and the Kansas Department of Corrections – Juvenile Services (KDOC-JS)
- The authorization and use of grant funds to provide an allowance or other miscellaneous personal items to youth in need (the general use of grant funds for this purpose must be specifically approved by the Juvenile Corrections Advisory Board)

**DISCUSSION:** To protect the integrity of IIP's and the KDOC-JS, local staff should be thoroughly familiar with the standards of conduct and be held accountable for compliance.

**ATTACHMENTS:** None.

**NOTE:** The standards and procedures set forth herein are intended to establish operational guidelines for immediate intervention programs operating through the board of county commissioners and their employees/contractors and youth participating in the immediate intervention process. They are not intended to establish state created liberty interests for immediate intervention programs or the board of county commissioners, or their employees/contractors, or youth, or an independent duty owed by the Kansas Department of Corrections- Division of Juvenile Services to immediate intervention programs operating through the board of county commissioners or their employees/contractors, supervised juveniles or third parties.
