- Be twenty-one (21) years of age or older
- Be qualified for access to any Kansas Criminal Justice Information System (KCJIS) data
- Not be registered on the Kansas child abuse registry [Click here for form](#)

A name-based criminal record check must be completed prior to initial employment; annually for the duration of employment; and whenever there is reasonable belief that an employee's criminal history status has changed. A fingerprint-based records check is to be completed within the first 30 days of employment.

The documented results of all records checks completed must be maintained in a secured location within the agency in accordance with Kansas Highway Patrol (KHP) guidelines. Records shall only be accessible to individuals who have clearance to said information and shall not be kept in an employee's personnel file. In lieu of a physical copy of the results, agencies with a National Crime Information Center (NCIC) terminal may maintain a log of when checks are conducted. This log should at a minimum include the employee name, date and time the records check is conducted. This log will allow the agency to access historical information in the NCIC terminal as necessary for KDOC audits.

If a felony conviction exists, the agency may request an exception to access KCJIS information by contacting the KCJIS Unit at KHP. If a KHP exception is granted, the agency must then request an exception from the Deputy Secretary. To request an exception from KDOC, the following documentation must be submitted to a designated Juvenile Services staff member: a letter from the local director stating the reason for the request, the results of the criminal record check and a copy of the exception granted by the KCJIS Unit of KHP.

NOTE: The standards and procedures set forth herein are intended to establish operational guidelines for the intake and assessment program operating through the board of county commissioners and their employees/contractors and youth participating in the intake and assessment process. They are not intended to establish state created liberty interests for the intake and assessment program or the board of county commissioners, or their employees/contractors, or youth, or an independent duty owed by the Kansas Department of Corrections- Division of Juvenile Services to intake and assessment programs operating through the board of county commissioners or their employees/contractors, supervised juveniles or third parties.
