STANDARD: Intake and Assessment Programs that utilize electronic monitoring shall develop written policy, procedure and practice to govern its use.

DISCUSSION: If this service is provided to youth through the Intake and Assessment Program, the parent and youth shall be educated on this service and their responsibilities.

NOTE: The standards and procedures set forth herein are intended to establish operational guidelines for the intake and assessment program operating through the board of county commissioners and their employees/contractors and youth participating in the intake and assessment process. They are not intended to establish state created liberty interests for the intake and assessment program or the board of county commissioners, or their employees/contractors, or youth, or an independent duty owed by the Kansas Department of Corrections- Division of Juvenile Services to intake and assessment programs operating through the board of county commissioners or their employees/contractors, supervised juveniles or third parties. This standard and procedure is not intended to establish or create new constitutional rights or to enlarge or expand upon existing constitutional rights or duties.
