In accordance with IMPP 01-101D, any attached IMPPs summarized below have had their revision/introduction advanced through appropriate procedures set forth within the context of that IMPP. Additionally, policy memoranda are sometimes issued on a very limited basis, and, if included in this distribution, are similarly summarized below. The following are summaries of the revisions to policy and/or procedures resulting from these processes, and have been reviewed in an attempt to ensure consistency with statutes, regulations, and the current needs and philosophy of the Department.

Per IMPP 01-101D, new and revised policies shall be distributed, prior to their implementation, to designated staff, contract personnel, volunteers, and when appropriate to inmates/offenders and designated agencies. The yellow highlighted IMPPs listed in this document are considered “**STAFF READ ONLY**” and shall not be included in the distributions to agencies or organizations not authorized such access.

12-105D SECURITY AND CONTROL: Security Threat Groups Identification and Management (SRO). This policy was revised to establish a department-wide policy and to remove inadequate and inaccurate language. KDOC IMPP 12-105 is revoked effective April 16, 2015.

12-125D SECURITY AND CONTROL: Central Monitoring of Offenders (SRO). This policy was revised to establish a common central monitoring program to be used by both the adult and juvenile correctional facilities. KDOC IMPP 12-125 is revoked effective April 16, 2015.

22-109J ENFORCEMENT, APPREHENSIONS AND INVESTIGATIONS: Racial and Biased-Based Policing – Special Investigator. This is a new “**JUVENILE OPERATIONS ONLY**” policy whereby the KDOC does not engage in racial profiling pursuant to the Kansas Racial Profiling Act.

NOTE: Yellow highlighting indicates that the particular IMPP is “**Staff Read Only.**”
