In accordance with IMPP 01-101D, any attached IMPPs summarized below have had their revision/introduction advanced through appropriate procedures set forth within the context of that IMPP. Additionally, policy memoranda are sometimes issued on a very limited basis, and, if included in this distribution, are similarly summarized below. The following are summaries of the revisions to policy and/or procedures resulting from these processes and have been reviewed as an attempt to ensure consistency with statutes, regulations, and the current needs and philosophy of the Department.

Per IMPP 01-101D, new and revised policies shall be distributed, prior to their implementation, to designated staff, contract personnel, volunteers, and when appropriate to offenders and designated agencies. The yellow highlighted IMPPs listed in this document are “**STAFF READ ONLY**” and shall not be included in the distributions to agencies or organizations not authorized such access.

11-123A **DECISION MAKING: Application of Program Credit Pursuant to K.S.A. 21-6821.** This policy was revised to put it in the new format, to bring the policy more in line with best practices which requires program dose to fit the offender’s risk/need level and to Attachment A.

12-105D **SECURITY AND CONTROL: Security Threat Groups Identification and Management.** This policy was revised to work towards a more comprehensive management strategy to deal with Security Threat Groups.

NOTE: Yellow highlighting specifies that IMPP is “**STAFF READ ONLY**”.
