RE: Contract No. I07638 (7XH)

Dear Warden Cooper:

A Full Monitoring was conducted at your facility on February 15, 2012, by Janet George, Contract Oversight Specialist, and Derrick Winston, Contract Oversight Specialist. The last Full Monitoring, which cited no deficiencies, was conducted in March 2011; therefore, there are no repeat deficiencies for this monitoring. In addition, there were no new deficiencies noted during this inspection, therefore please consider this monitoring closed.

We would like to thank you and your staff for the assistance provided during the monitoring. If you have any questions or require additional information, feel free to contact me at (913) 551-1117.

Sincerely,

Cesar Gomez
Regional Reentry Manager
